

How to be a part of Bid Submission and What are Prerequisites of it?

In Order to be a part of bid submission, Authorized users of the company must have to create company profile on the e-Bidding system and awaits its approval by NHA personnel. Once company profile is approved then afterwards bidder can bid on the tender of their assigned category. for example, Companies account created under "Operator" & "Constructor" will only be able to apply on the tender with specific category.

1

Company Profile Approval

If your company account is not yet been created, then first login to "www.ebidding.nha.gov.pk" and click on "Create new user account", Once done after verifying identity. User will have to complete company profile in order to participate on the tender. This process is a pre-requisite and must be completed

NHA National Highway Authority e-Bidding System

Welcome to NHA e-Bidding System

NHA e-Bidding is a complete procurement solution introduced under the directive of Government of the Islamic Republic of Pakistan. e-Bidding system of the National Highway Authority, Ministry of Communications provides an on-line platform to carry out the procurement activities.
